7th October 2016

What a busy week we have had here at William Morris. Year 6 had their first Play Leader training and are ready to go. They will be supporting in Year 2 to begin with.

NOTICES:

Non-uniform Day

A **non-uniform day will be held on Friday 21st of October**, the last day before half term. It will cost £1 for children to come to school in their civies and all money raised will go towards our playground equipment. School will close at the usual time of 3:05pm.

INSET Day

A reminder that Monday 31st October is an INSET day. Staff will be receiving training at school and so **school opens for children 1st November 2016**.

The School Day

We would like to change the timings of the school day. Currently school opens at 8:30, we feel this is a bit too early and puts a lot of pressure on teachers and you as parents in getting your children ready for the day. It would also mean that we have slightly more time to get the children back into class after assemblies and changed after activities like PE, before sending them home. We propose the following changes:

8:00 Breakfast club opens

8:30 School gates open

8:40 School officially starts and children go into class

3:10 or 3:15 (to be decided) school officially closes and children go home

These timings would also fit more in-line with many other Oxfordshire schools. We would like to know your thoughts so please complete the reply slip at the bottom of the newsletter and return it to the office or send it to school in your child's bookbag.
