We are on the map with MATHS

We have been very proud to have hosted several different teachers from all over the county to come and watch some of our maths lessons. We are beginning to get a reputation amongst other schools and teachers for the way we teach maths. We are working towards being a lead school in the area for teaching maths mastery.

A reminder about the Easter event on Tuesday!

We are really looking forward to this and hope to host a great extravaganza! There will be an Egg Hunt (letters were sent out earlier this week), tombola, refreshments including hot cross buns, raffle, and more....

Hope to see you all there ☺

PIANO AND SINGING LESSONS

A reminder to parents that we offer music and singing lessons at William Morris. It is lovely to see and hear some pupils already receiving tuition on the school piano!

DID YOU KNOW?

Reading music uses similar connections in the brain as it does for MATHS. **SO.....learning how to read music helps children with maths!**

RANDOM ACTS OF KINDNESS

Today is National Kindness day and at William Morris we would like to take part. We have set a challenge to the children to give the most random act of kindness they can to a family member over the weekend. Parents, please can you take photos and email them to the office or write a little note about what your child did out of random kindness.

Uniforms

A reminder to all parents about our school uniform. This year has been a transition year where you can change over to the new uniform at a time to suit you. The full school uniform will be compulsory from September 2017.

Please do make sure you have collected your uniform vouchers from the office. We are hoping to allocate a second voucher.

For the rest of this year, children are allowed to be in either uniform but please note, they are required to follow the existing school policy on uniforms. Children should be in a navy jumper and black shoes – no trainers or hoodies.

WEBSITE

We are fast becoming pros and using our school website. Please make sure that you check it regularly for updates and news instalments about things that are happening in our school.
